To Sayyid Ali Hosseini Khamenei, the Supreme Leader of Iran

I write to you in the name of the One True God with good news from the Most High in what can be seen by many as the darkest of hours. Just as the angel of the Lord symbolized a burning bush in Genesis and lights the way to Revelation as the Seventh Angel have a message for you today. As America beats the drums of war and prepares an attack against Iran, do not be afraid.

I wrote a book titled, It Is Written, Power of God which shows the way to turn the key of David and leads to the knowledge of Revelation that Mohammed wrote of in the noble Quran. Muslims believe the teachings of the Torah and Scripture have been corrupted which is true and I would like to present to you are the keys to the scriptures which is the knowledge Mohammed testified of in his writings. I will teach you the way to climb Jacobs Ladder step by step which is the one true way to get to heaven according to the Almighty.

While Mohammed wrote of Jews and Christians I would like you to know God speaks favorably of the Muslims in the Torah and Scripture as well. Many prophets wrote of these times we are now living in and my desire is to shine light onto these matters so you may comfort your people in the days ahead. There is an event about to take place called the ‘day of the LORD’ which is judgment day for America who God calls Babylon. This will be occurring shortly after President Trumps reelection and is when Allah

raises a destroying wind and uses the Muslims to destroy the Great Satan. There are three Babylon's that rise and fall and the first was ruled by Nimrod in what was the Old Kingdom of Egypt, the second was ruled by Nebuchadnezzar in Iraq and the third and final Babylon is none other than the United States of America.

In prophecy it is written God would send a messenger in the end to prepare the world for judgment day and the angel of the Lord teaches you the fear of the Lord just before the day of the Lord.

Down through the ages we know Israel has always been oppressed and enslaved by the Egyptians and Babylonians and I have some news today which may startle you. Not long ago the Mighty nation of Persia under the anointed leadership of King Cyrus freed the Jews and set them upon their feet guiding them back to the one true God. So too will you walk the same path today. I understand the animosity felt towards Israel but I must tell you of the role you play in freeing them from the curse God calls America.
The prophet Jeremiah wrote not only would the Persians free the Jews but funded the reconstruction for the House of God in Jerusalem. A Persian King is the only other man in Scripture who was not a Jew to be referred to as a Messiah by the prophet Isaiah. It is written by the prophet Haggai the Jews not only built and finished the House of God according to the commandment of God but the commandment of Cyrus, Darius and Artaxerxes! The Almighty used the Kings of Persia to free and revive the Jews and the role you play in destroying America achieves the same results today.

The tenth chapter of Daniel took place in the third year of Cyrus where Daniel had a vision of today. It was during this time Daniel was visited by Gabriel who apologized for being late for he was delayed TWENTY ONE days by the prince of Persia. One must ask, what could the prince and king of Persia feel so strongly about that they delay the Power of the Most High from keeping his meeting with Daniel on time? The righteous kings of Persia were making the case that they should write the New Testament because they truly love the Lord. Gabriel stayed and debated with the kings

and princes until Michael relieved him so he could relay his message to Daniel. After Gabriel left Daniel told him the prince of Greece would come in order to lay the ground work for the completion of the New Testament and Holy Bible.

I know you keep watch over a small group of Jews and Christians in Iran and would like to request not only a private meeting with you to impart vital information for your discretion but also request safe passage through your state to deliver the message of the key of David to our people in your care. The day of the Lord and destruction of America is only the first of a series of events that take place before the LORD returns. What happens following that will directly impact Iran and your people. My sincere desire is to raise your awareness of these events to assist you through them unscathed. If you would be so kind as to verify and confirm receipt of this message so I know it was heard would be greatly appreciated.

God loves you,
