

Objective:Explicitly declare *Elohim* as the God of Muhammad, Jesus, Jacob, Isaac, Abraham, and Job

- Add historical facts to contextualize divine visits by *Elohim* (Jesus' Heavenly Father), Gabriel, and Jesus.
- Reframe nodes as encounters with the Lord of Heaven and Earth, unifying faiths for 2025.

Approach:

- **Elohim's Unity:** Each node emphasizes *Elohim* as the singular divine family (Father, Jesus, Spirit, Gabriel, anointed ones like Erick Matthew Bennett), revealed across Sumerian, Hebrew, Christian, and Islamic contexts.
- **Historical Facts:** Include archaeological, textual, and cultural evidence (e.g., Sumerian tablets, Second Temple records) to ground divine visits in history.
- **Divine Visits:** Reframe events as *Elohim's* direct interventions, with Gabriel and Jesus, tied to *Power of Seven* (e.g., 7 blessings) and gematria/abjad.
