

The Elect of God, Called and Chosen

September 13, 2025

His Excellency Kyriakos Mitsotakis
Prime Minister of the Hellenic Republic
Maximos Mansion
19 Vasilissis Sofias Avenue, Athens, Greece

Your Excellency,

In the name of the One True God, the Father of all nations, I write with a message of divine hope and authority for Greece, the cradle of Christian faith and Western civilization. My book, *It Is Written, Power of God*, unveils the Key of David—a divine principle for unlocking the Keys of Knowledge (Luke 11:52), opening the door to the House of God, the gate to the Kingdom of Heaven (John 14:6). This message equips Greece to restore its sacred heritage and prepare for the times ahead.

A Prophetic Call for Greece

Scripture foretells the Day of the Lord, when divine judgment will fall upon Babylon—prophetically understood as the United States—and other secular nations that have forsaken God. Greece, home to the seven churches of Asia (Revelation 2-3), is called to lead a spiritual renewal through The Elect of God, a congregation of the faithful from all nations—Christians, Muslims, Jews—who embrace the Key of David. By

turning this key, Greece can overcome cultural challenges posed by migration and restore divine order, as the Noble Quran affirms the pursuit of truth in earlier scriptures (Surah Al-Ma'idah 5:68).

A Vision for Sovereignty

Your leadership in preserving Greece's identity amidst global pressures is divinely anointed, as all powers are ordained by God (Romans 13:1). I propose sharing *It Is Written, Power of God* with your people to unite them as The Elect of God, ensuring their return to national sovereignty as scripture commands (Jeremiah 46:3-6). This will attract the best and brightest to Greece, fostering sustainable communities that honor the Almighty and prepare for His return.

A Global Coalition

I have reached out to His Majesty Emperor Naruhito of Japan, His Excellency Sayyid Ali Khamenei of Iran, His Excellency Recep Tayyip Erdoğan of Türkiye, His Excellency Viktor Orbán of Hungary, and His Excellency Milo Đukanović of Montenegro, with plans to contact President Bashar al-Assad of Syria. These letters, archived at erickbennett.com, call for a united stand to preserve sacred heritage. I will soon visit the Mediterranean to establish branches of The Elect of God, and I seek your partnership in this mission.

An Invitation to Collaborate

Please confirm receipt of this message, and I will contact your office upon arriving in Greece to discuss how the Key of David can strengthen your nation. May the God of Abraham, Isaac, and Jacob guide Greece to its destined glory.

In service to the Almighty,
Erick Matthew Bennett
