Prime Minister's Office

Your Excellency,

In the name of our Lord and Savior Jesus Christ, I write with good news from the Throne of God for the Holy Crown of Hungary, the kingdom of Saint Stephen. My book, *It Is Written, Power of God*, unveils the Key of David—a divine principle for unlocking the Keys of Knowledge, as revealed in Luke 11:52, to seek first the Kingdom of God (Matthew 6:33). This message equips Hungary to preserve its Christian heritage and prepare for the divine events ahead.

A Prophetic Call for Hungary

Scripture foretells an event called the Day of the Lord, when divine judgment will fall upon Babylon—prophetically understood as the United States—and other secular nations that have forsaken God. As America, England, France, and Germany face decline, Hungary's steadfast faith positions it as a beacon for Christian civilization. I commend your resolve to protect Hungary's sovereignty against unchecked migration and multiculturalism, which scripture warns against as the work of Babylon (Revelation 18).

A Vision for Christian Renewal

Hungary's thousand-year commitment to the Lord ensures its sovereignty for the millennial reign. I propose welcoming Christians from declining Western nations—those seeking environments of faith and progress—to build futuristic Christian cities in Hungary. By preparing infrastructure and housing now, you can attract the best and brightest professionals, engineers, and tradespeople to strengthen the Visegrád Group and Central-Eastern Europe. My ministry offers guidance to ensure a seamless transition, fostering communities rooted in economic and spiritual sustainability.

Confronting Cultural Challenges

The Almighty calls for all peoples to honor their heritage (Jeremiah 46:3-6). Migration policies that erode national identity, such as the European Union's reparations proposals, contradict divine order. Hungary's rejection of such schemes aligns with scripture's call to preserve the nations God created (Acts 17:26). I urge sharing *It Is Written, Power of God* with detained migrants, offering them the light of Christ to convert and return to their homelands as bearers of the gospel.

An Invitation to Collaborate

I have reached out to leaders like His Majesty Emperor Naruhito of Japan, His Excellency Sayyid Ali Khamenei of Iran, and His Excellency Recep Tayyip Erdoğan of Türkiye to prepare for this divine transition. Please review the Key of David on my website, erickbennett.com, and confirm receipt of this message. I would be honored to assist Hungary in turning this key, opening the door to God's grace (Revelation 2:1-5). May the God of Abraham, Isaac, and Jacob guide Hungary to its destined glory.

Your brother in Christ,
Erick Matthew Bennett
