President Milo Djukanovic of Montenegro

On February 14th I read an article by Samie Kajosevic regarding your request for a unique Montenegro Orthodox Church to rebuke the Serbian influence over disputed property in your territory and can assist you with that. Please allow me to introduce myself, I wrote a book titled *It Is Written, Power of God* which shows the way to turn the key of knowledge which are the keys the Roman Catholic Church claims to possess yet in 2,000 years never produced them because the man called the pope does not have them. I do.

It Is Written, Power of God shows the way to turn the key and open the door to the house of God which is the gate to the kingdom of heaven and leads to the formation of a congregation called *The Elect* and anointed the Christian nations of the world as well as the calendar system we use. The word 'Orthodox' takes its meaning from the Greek words *orthos* ('right') and *doxa* ('belief') and what Jesus calls, "the way, the truth and the life" and we are called the *Elect of God* in the Holy Bible.

The *Elect of God* is the Orthodox Church you prayed for and by baptizing Montenegro into the kingdom, power and glory will allow all the properties that have been abandoned to be claimed for our Father. These keys grant the authority to act in our Fathers name so all of those properties belong to *The Elect of God of Montenegro* preserving your culture and maintaining the churches sovereignty. This will effectively bring the Serbian Orthodox

Church as well as the others into the fold as all the property belongs to God our Father eliminating further strife and conflict. Problem solved.

I will be traveling to the Mediterranean in the very near future to confirm and establish branches of the Elect of God in Greece, Israel, Italy, Iran, Hungary, Turkey and a few other places and have sent letters to the Prime Minister of Hungary, Victor Orban, the Supreme Leader of Iran, Ayatollah Khomeini, King Constantine of Greece and President Erdogan of Turkey. I will be reaching out to President Assad soon.

Our Church attracts the best and brightest and many Muslims, Jews and Christians as well as those from the North, South, East and West formulate a very effective organization that will provide a great deal of relief when it comes to caring for the widows and orphans in Montenegro and producing the best and brightest in the sciences.

I will be contacting your office as soon as I arrive in the Mediterranean.
In our Fathers name,

Erick Matthew Bennett
