

The Elect of God, Called and Chosen

September 13, 2025

His Excellency Recep Tayyip Erdoğan
President of the Republic of Türkiye
Çankaya Köşkü, Ankara, Türkiye

Dear Mr. President,

Peace be upon you. I am Erick Matthew Bennett, author of *It Is Written, Power of God*, anointed as Elijah the Prophet to prepare for the Day of the Lord (Malachi 4:5). Through *The Elect of God* (erickbennett.com), I reveal the *Keys of Knowledge* (Luke 11:52), unlocking the *Key of David* (Isaiah 22:22) via the alphanumeric systems of Hebrew, Greek, and Arabic, manifesting the *Power of Seven* in the Torah, Gospel, and Quran (Genesis 1:1, Surah Al-Baqarah 2:136). My mission is to unite Jews, Christians, and Muslims, leading nations to Zion.

A Call to Prepare for the Day of the Lord

Scripture warns of the Day of the Lord, when nations forsaking God—prophetically called Babylon—will face judgment (Zechariah 14:1-2). Türkiye's leadership in fostering peace and supporting Syrian refugees positions it as a beacon of righteousness (Romans 13:1). I propose introducing *It Is Written, Power of God* and our *Royal Academy's Shalom Alef* curriculum to refugees and citizens, teaching the *Keys* to identify *The Elect of God* (1 John 4:1). We will produce this in Arabic and Turkish as

well customizing it to uniquely fit into your narrative in Scripture. This will nurture the best and brightest, organizing them by trade and family units into sustainable enclaves powered by solar and hydropower.

A Vision for Regional Leadership

Türkiye's role in stabilizing Syria post-2024 transitions offers a divine opportunity to create neutral zones for women and children, preserving their cultural heritage. These enclaves will drive economic and environmental sustainability, transforming Türkiye and its neighbors into first-world leaders. I have written to leaders in Jordan, Iran, Hungary, Montenegro, Greece, Israel, and Egypt, archived at theelectofgod.org, urging a united stand for God's truth. Türkiye's partnership is vital to this coalition.

An Invitation to Collaborate

I humbly request assistance to travel to Ankara to share the *Keys of Knowledge* and coordinate these enclaves, ensuring Türkiye's legacy in God's plan. Please confirm receipt at erickbennett@rocketmail.com, and I will contact your office to discuss this vision. May Allah guide Türkiye to its destined glory.

In righteousness,
Erick Matthew Bennett
The Elect of God
