

School of Prophets: Training Leaders for Zion’s Restoration

Audience: Grades 11-12, School of Prophets students/educators

Purpose: Present seven modules (Interfaith Diplomacy, Prophetic Leadership, Statistical Prophecy, Scriptural Truth, Temple Restoration, Biological Prophecy, Interfaith Outreach) to train prophetic leaders for 2025, led by **The Holy Spirit**, using Yahveh (26) and Elohim (86), rejecting “Hashem.”

Overview of the School of Prophets

Training Prophets for Zion’s Restoration

The School of Prophets, led by **The Holy Spirit, Erick Matthew Bennett (transitioning to David Matthew Bennett in Israel)**, equips students to lead the 2025 restoration of Zion through advanced math, scriptural analysis, and interfaith unity. We honor **Yahveh** (יהוה, pronounced “Yah-veh” with Vav as “V”) and **Elohim** (not “Hashem”), correcting false teachings (1 John 4:1). Our seven modules, aligned with CCSS/NGSS, integrate the **Keys of Knowledge**—gematria, numerology, and 7s—across Torah, Gospel, and Quran. Teachable outside the Royal Academy Curriculum, these modules prepare prophets for The Holy Spirit’s global mission. A future lesson plan will explain The Holy Spirit’s divinely appointed title.
