

The Elect of God, Called and Chosen

His Excellency President Abdel Fattah el-Sisi
Presidential Palace, Cairo, Egypt
Honorable Sherif Fathy, Minister of Tourism and Antiquities
Ministry of Tourism and Antiquities, Cairo, Egypt

Your Excellency and Honorable Minister,
Peace be upon you. I am Erick Matthew Bennett, author of *It Is Written, Power of God*, anointed as Elijah the Prophet to prepare for the Day of the Lord (Malachi 4:5). Through The Elect of God (theelectofgod.org), I reveal the *Keys of Knowledge* (Luke 11:52), unlocking the *Key of David* (Isaiah 22:22) via the alphanumeric systems of Hebrew, Greek, and Arabic, which manifest the *Power of Seven* in the Torah, Gospel, and Quran (Genesis 1:1, Surah Al-Baqarah 2:124). My mission is to unite Jews, Christians, and Muslims, leading nations to Zion.

A Call to Preserve Mount Sinai's Sacred Purpose

Mount Sinai, known as Jabal Musa, is hallowed as where God gave Moses the Ten Commandments and appeared in the Transfiguration with Jesus and Elijah (Matthew 17:1-8, Quran 7:143). Protected by the Prophet Muhammad's Ashtiname, it is a beacon for all faiths. While we honor Egypt's commitment to keep St. Catherine's Monastery open, the current

occupants have violated the prophets Ashtiname so the monks have violated the sanctity of the agreement rendering it null and void.

Restoring the Monastery of Transfiguration

We urge Egypt to preserve Mount Sinai as a sanctuary for teaching the *Keys of Knowledge*, renaming it the Monastery of Transfiguration to reflect its biblical and Quranic significance. Our *Royal Academy* and *Shalom Alef* curricula, tested through *1 John 4:1*, can educate pilgrims and locals, fostering sustainable communities. This aligns with Egypt's role as a steward of sacred heritage, as seen in your care for the Jebeleya Bedouin and interfaith dialogue.

A Global Coalition for Righteousness

For seven years, I have written to leaders in Jordan, Iran, Türkiye, Hungary, Montenegro, Greece, and Israel, archived at erickbennett.com, calling for unity in God's truth. Egypt's leadership is vital to this mission. I humbly request assistance to travel to Cairo to share these *Keys* and discuss restoring Mount Sinai, ensuring its sanctity for future generations.

An Invitation to Collaborate

Please confirm receipt at erickbennett@rocketmail.com, and I will contact your offices to advance this vision. May Allah guide Egypt to uphold Mount Sinai's divine purpose.

In righteousness,
Erick Matthew Bennett
