Lesson 2: Lost in Darkness
From *It Is Written, Power of God* – Chapter Two
Prepared by: Erick Matthew Bennett
Date: Updated February 2026

Course Overview & Mission

The Royal Academy Adult Education Course empowers learners to discern divine truth, reject Lucifer's deceptive systems (rooted in greed, money, and false authority), and apply the **Key of David** to unlock God's Power and light. This module draws deeply from Chapter Two, "Lost in Darkness," revealing humanity's fall through cosmic rebellion, biblical narratives, and numerical patterns (7, 77, 777). It calls adults to awakening, societal reorientation, and preparation for Christ's kingdom by turning from Babylon's influence to the Tree of Life.

Core Objective for Adults:

Understand the spiritual, cosmic, and generational roots of darkness; recognize how greed and deception (via money/power systems) lead humanity astray; and actively use the Key of David (letter-to-number conversion, pattern discernment) to access divine wisdom, overcome deception, and share God's light.

Key Scriptures:

- Genesis 3:1–24 (Deception in Eden, flaming sword)

- Genesis 4:1–15, 23–24 (Cain and Abel, mark of Cain, Lamech's vengeance)
- Genesis 11:1–9 (Nimrod's tower/pyramid, Babylon)
- Job 38:31–32 (Pleiades, Orion, Arcturus)
- Revelation 3:7 (Key of David)

Key Themes from Chapter Two: Lost in Darkness

1. Cosmic and Spiritual Context

The stars (Genesis 1:14) serve as signs for time, seasons, and generations. The zodiac/Ouroboros symbolizes the Milky Way, framing human history within God's order. Lucifer's rebellion originated in Orion, opposing Gabriel (Pleiades) and God's throne (Arcturus). Cast down to earth, this fall manifests in symbols like the shining triangle (mountain/power).

Adult Insight: Recognize deception's cosmic origins to discern truth amid worldly chaos.

2. The Fall and Deception in Eden

The Garden is the heart: God's Word (Tree of Life) vs. Lucifer's greed-based offer (Tree of Knowledge of Good and Evil). Eve's choice introduced buying/selling, greed, and violence. The flaming sword (Genesis 3:24) is God's Word—"turned every way" via the Key of David (letters to numbers)—guarding yet opening access to the Tree of Life.

Adult Insight: Modern systems of materialism mirror this deception; the Key turns the sword to reveal truth.

3. Consequences of Greed: Cain to Lamech

Cain's envy murdered Abel, birthing money-driven violence and the "new world order." The mark of Cain is a triangle (qeren = ray of light/power), symbolizing false authority—not a racial curse. Seven generations later, Lamech kills Cain and his son, claiming sevenfold (then seventy-sevenfold) vengeance. Patterns of 7, 77, 777 (Lamech III's lifespan, Genesis 5:31) mark God's perfect judgment.

Adult Insight: Greed fuels generational violence; numerical patterns confirm divine order over chaos.

4. Nimrod and Babylon's System

Nimrod's "tower" (migdal = pyramid) echoes Orion's belt, embodying Lucifer's buying/selling system. The incomplete pyramid (missing capstone) reflects rebellion halted by God (Genesis 11:5–9).

Adult Insight: Babylon persists today through global materialism; God's scattering preserves potential for restoration.

5. The Key of David: Path to Light

This tool converts letters to numbers, unveiling mysteries (e.g., triangle as mark, $7 \times 77 \times 777$ vengeance). It aligns with cosmic order (Pleiades' 7 stars) and counters Lucifer's darkness, opening Jacob's Ladder (Genesis 28:12).

Adult Application: Test teachings/doctrines for divine patterns (7s) vs. worldly chaos.

6. Call to Awakening

Lucifer's Babylon controls via money, but Christ's return draws near (Revelation 12:4 context). Adults must turn the Key, reject deception, and spread light to reorient society toward God's kingdom.

Adult-Focused Lesson Structure (90–120 minutes, adaptable for online/in-person)

1. Warm-Up Discussion (15 minutes)

Pose: "How does money/power influence choices today? Can it lead us from God's path, like in Eden?" Share personal reflections on materialism's pull.

2. Scripture Exploration & Chapter Integration (30–40 minutes)

- Read/discuss Genesis 3 (Eden's deception), 4 (Cain/Lamech), 11 (Babylon).
- Connect to Job 38: cosmic rebellion.
- Introduce Key of David: Demonstrate simple examples (Genesis 1:1: 7 words, 28 letters; Genesis 4 generations counting to 7).
- Adult Activity: In pairs/groups, analyze Lamech's song (Genesis 4:23–24) for numerical vengeance patterns; decode triangle symbolism.

3. Real-World Application & Discernment (20–30 minutes)

Debate: How do modern systems (consumerism, global finance, social influence) echo Babylon/Nimrod? How can the Key of David expose/test them?

Activity: Apply to a current event—count patterns in scripture vs. worldly claims; journal insights on breaking free from greed.

4. Reflection & Commitment (15 minutes)

Journal: "How will I use the Key of David this week to discern truth and reject darkness?"

Closing: Affirmation—God's light overcomes; we are called to shine (Revelation 3:7).

Materials for Adults:

- Bibles (multiple translations encouraged)
- Handouts: Key of David basics, numerical examples (7/77/777 table), triangle/pyramid diagrams
- Optional visuals: Star maps (Pleiades/Orion), Ouroboros, ancient pyramid images
- Journal prompts & discussion guides

Notes for Facilitators/Adult Learners

- Emphasize empowerment over fear: Focus on choosing life, not graphic violence.
- Soften specific prophetic timelines; center universal truths (greed vs. divine love).

- Encourage deep numerical work—adults thrive on this discernment tool.
- Aligns with Royal Academy mission: Heal society by exposing deception and restoring God's order.

Integration with Broader Curriculum

This lesson builds on foundational Key of David (from Chapter One/Genesis 1:1) and prepares for future modules (e.g., Parables, Jacob's Ladder, prophetic discernment). It equips adults to teach/mentor younger learners while advancing personal awakening.

Homework/Extension

- Read Genesis 4–5 fully; calculate generational/numerical patterns.
- Research a modern "Babylon" example; apply Key of David discernment.
- Share insights in community forum or group discussion.
