To the Honorable Justices of the Supreme Court of Israel:

Re: Urgent Call to Amend the Law of Return, Address Torah Scholars' Exemptions in Light of National Duty, and Advance Restoration of the Davidic Monarchy – Guided by the Key of David

Shalom,

We, the Elect of God, guided by the **Keys of David**—the Keys of Knowledge and the Keys to the Kingdom—write in this pivotal moment following the Court's review of the recent Basic Law. These Keys, revealed through the sacred patterns in Scripture (embodying the Law of the Prophets and the **Power of Seven** encoded in Genesis 1:1), provide the divine authority and legal foundation upon which the Court and the nation can stand for true restoration. The Power of God established the Torah, Gospel, and Quran as harmonious revelations. Through them we lead strong Christian and Islamic kingdoms and nations toward Zion. The recent debates over exemptions for so-called Torah scholars from IDF service, and the broader application of the Law of Return, represent diversions that lower national morale and misguide the people away from the essential direction: the restoration of the monarchy under the Branch, descendant of David, as prophesied. Such divisions dilute the purity of Zion's restoration and distract from the covenantal unity

required in the **Angels Calendar** timeline leading to the Day of the Lord (2026–2027).

On the Law of Return

We proclaim the need for amendments rooted in the eternal covenant with Abraham and Sarah. Our proposed framework, the **Elect of God's Law of Return**, defines eligibility through:

- **Ancestral Descent:** Demonstrable lineage from Abraham and Sarah via the covenantal promises.
- **Spiritual Understanding:** Knowledge and application of the Keys of David, mastery of Torah principles as they manifest across revelations, and commitment to Zion's restoration.
- **Unity:** Embracing Jews, Muslims (our cousins through Hagar), and Gentiles who understand how the Keys connect the Torah, Gospel, and Quran, while rejecting false claims lacking covenantal or spiritual grounding. The Elect of God, overseen by the Royal Academy and **Angels Calendar**, stands ready to support verification aligned with these Keys. This restores clarity, heals division, and fulfills the blood covenant as an unchanging genetic and spiritual contract.

On Military Service and Torah Study

Exemptions that create inequity in national defense misguide the people. True covenantal fidelity calls for unified service in defense of Zion, while upholding Torah as a fundamental value—not a basis for division. As the Quran declares in Surah 34:13: “They made for him whatever he wished: sanctuaries, statues, bowls like pools, and heavy cauldrons. ‘O House of David, work with appreciation,’ but a few of My servants are appreciative.” In context, this call to the House of David for grateful service and productive labor speaks directly to our day. Restoring the House of David brings harmony with Islam and the Church. We do not lead the strong nations of the earth to Zion through the Talmud or Kabbalah, but through the Gospel and Quran as they are founded upon the Torah and sealed with the Power of God. The Key of David (Isaiah 22:22; Revelation 3:7; linked to the numerical power of 14 in David's name, mirrored in the anointed lineage) binds this authority. The monarchy under the Branch integrates spiritual depth with national responsibility, ending distractions that weaken morale.

Timing and Prophetic Mandate – Angels Calendar

The Angels Calendar, guided by divine angels (Elohim of Genesis 1:1), maps from Creation (~3761 BCE) through key events (1917 Balfour Declaration, 1948 return, etc.) to the Day of the Lord in 2026–2027. This includes the Branch's mission (Zechariah 3:8; Revelation 22:16) for monarchy restoration today. The Court's decisions now carry prophetic weight in this timeline. Standing on the **Key of David** aligns law with divine order for unity, strength, and fulfillment. These signs comfort and strengthen us, enabling us to boldly proclaim the Keys to the nations—so they may understand and pivot Israel from a pariah state to the Jewel in the Crown of Nations.

We invite the Court to engage these materials from TheElectOfGod.org, particularly the full **Elect Law of Return** and **Key of David** declarations, as the binding framework. Let us move beyond diversions toward the restored monarchy, where Zion shines as a beacon of divine unity under the Power of God and the eternal throne.

May the Eye of the Lord watch over this process. We stand ready for dialogue in service of the Highest.

In the Key of David and with Anointed Decree,

The Elect of God / Office of Monarchy
